To enhance the durability and appearance, we recommend following our care instructions regularly.
The umbrella should never be used in strong wind or rainy conditions. An open umbrella should never be left unattended. We always suggest storing your furniture and outdoor umbrella in a dry place when not in use or using a protective cover to avoid any blurring or damage.

Pour améliorer la durabilité et l'apparence, nous vous recommandons de suivre nos instructions d'entretien régulièrement. Le parasol ne doit jamais être utilisé dans des conditions fortes ou pluvieuses. Un parasol ouvert ne doit jamais être laissé sans surveillance. Nous suggérons toujours de ranger vos meubles et votre parasol dans un endroit sec lorsqu'ils ne sont pas utilisés ou d'utiliser une housse de protection pour éviter la décoloration et les dommages.

Om de duurzaamheid en het uiterlijk te verbeteren, raden we aan om regelmatig onze instructies op te volgen. De parasol mag nooit gebruikt worden in harde wind of regenachtige omstandigheden. Een geopende parasol mag nooit zonder toezicht worden achtergelaten. We raden altijd aan om uw parasol of meubels op een droge plaats op te bergen wanneer ze niet worden gebruikt, of om een beschermhose te gebruiken om vervaging of beschadiging te voorkomen.

COMFORT FOAM (HIGH RESILIENCE FOAM) 55KG MED
